Only 5 cards of Jim Kelly # 14, 3 of Bernie Kosar # 44, 3 of Blair Thomas #199, and 3 of Johnny Johnson #213, intended to be destroyed, appeared in an early case. These few cards are the only ones to surface to date. Slaughter and Snow cards were also destroyed, but some may have gotten out, too.

Promo cards of Neal Anderson, Emmitt Smith, and Randall Cunningham were produced. All are similar to the regular issued cards; however, the Anderson promo is #12 instead of #16; the Smith card has "1991 ROOKIE PROTOTYPE" stamped on the back and the Cunningham promo has "1991 PROTOTYPE CARD" printed on the back.
